## David Ward – Associate Director

### Key Data

---

David joined Wynford & Philip Lewis, Architects & Surveyors in 1997 as an Architectural Technician, whilst continuing to read for his BSc Degree in Building Surveying. He became involved in various Projects from inception to completion, gaining experience in comprehensive design and detailing work, measured survey work, Site supervision and Contract administration.

David became eligible for his Degree in January 2000 and was promoted to full time Architectural Technologist.

He was admitted to the Chartered Institute of Architectural Technologists (C.I.A.T.) as an Associate Member in May 2001.

In 2007, David was made Associate Director of Lewis Partnership Ltd.
