Statement of Environmental Policy

The Lewis Partnership is committed to minimising its effect on the environment and understands that it must be proactive with environmental issues this shall be achieved by applying and regularly reviewing the following policy items via Business Objectives and the Environmental Aspects Reduction Plan:

- + Comply with/exceed the requirements of environmental legislation and approved codes of practice.**
- + Assess the environmental impact of all historic, current and likely future operations.**
- + Continuously seek to improve environmental performance.**
- + Seek to prevent pollution, emissions and waste.**
- + Minimise the use of all raw materials, energy and supplies.**
- + Raise awareness, encourage participation and train employees in environmental matters.**
- + Expect similar environmental standards from all suppliers and contractors.**
- + Assist customers to use our services in an environmentally-sensitive way.**
- + Liaise with the local community.**
- + Participate in discussions about environmental issues.**

In addition to the above points The Lewis Partnership will ensure that it keeps to the forefront of environmental awareness and will endeavour to only use natural or at the very least, bio-degradable/sustainable materials in all of its projects.

This Environmental Policy is appropriate to the purpose and context of the organisation, including the nature, scale and environmental impacts of its activities, products and services.
